Spring Clean-up:

Our spring cleanup includes removal of small debris from our New England winter season, re-edging and dethatching of your lawn as well as the first mow of the season.

Plowing:

In addition to our standard snowplowing service, we also offer shoveling and salting services to our customers.

Mowing:

Our weekly mowing service from May through October includes line trimming, walkway and driveway edging as well as blowing away of all debris from mowing.

Best in class equipment

With our top of the line equipment we increase our efficiency, allowing us to pass savings along to our customers, with a significantly better quality of services.

Fall Clean ups:

Our fall clean up includes removal of leaves and other small fallen debris, cleaning out of your flower beds, as well as a final mow of the season.

Annual Service:

Savage Property Services LLC is pleased to offer an alternative form of billing for our services to our residential and commercial maintenance clients. Monthly service is a flat rate billing for basic services: mowing, spring and fall clean ups as well as plowing. Annual service requires a minimum of 3 services.

Ala carte prices for other services are estimated and billed separately

Flower bed Installation and maintenance:

Looking for something simple and beautiful? We can design, install, and maintain a flower bed that will make you the envy of the neighborhood.
